IMPORTANT ANNOUNCEMENT

Biometric Enrollment Process at Embassy of India in Jakarta & Consulates General of India in Bali and Medan

The Government of India have implemented, in phased manner, Biometric Enrollment Process at its Embassies and Consulates abroad for processing the visa applications under the IVFRT (Immigration, Visa and Foreigner's Registration and Tracking) system.

With effect from September 2013, the Embassy of India in Jakarta and the Consulates General of India in Bali and Medan have introduced the Biometric Enrollment Process in respect of all visa applicants, except for the following:

- Applicants below 12 years
- Applicants above 70 years
- Applicants holding Official passport
- Applicants holding Diplomatic passport
- Applicants holding UN passport

All visa applicants, who are not exempt from Biometric Enrollment Process, are requested to kindly visit the Consulate in person at the time of submission of their on-line visa application for facilitating Biometric enrollment.
